## SCRA Shines in Fish Rock Adventure Race

In driving rain, the pavement ended and the road quickly turned to mud and gravel as these riders headed for Boonville on Fish Rock Road. David Torres photo.

At the Iversen Road Aid Station, food, water and bike repairs were offered and the Sonoma County Ham Radio Operators, far right, handled communications all along the route. David Torres photo.

event had a delayed start due to snow and slush at the summit, and the cold weather pounded the riders with rain at times, causing some riders to bail early, and some to potentially suffer from hypothermia. Thank you station ops for sheltering cold riders, and thank you SAGs for moving riders along the course, and at the end of the event, into Finish. Having riders on 128 after dark would have been a potentially dangerous situation. One late rider told me he (as were others) was required to be sagged into Finish and became thankful once he saw the climb back into town that he would have had to make. Thanks to all who stayed late as needed, and thanks to the MOTOs who contributed situational awareness as well as aided cyclists.

Here's a shout out to our shadows. You participated and got your feet wet. I heard you all on the air. Well done. Please come back for more.

And From John Prowty, Bike Marshal:

I will add my thanks for a job well done in very difficult conditions. I've already received feedback from riders and [Continued on page 8...](#)

*The Independent Coast Observer ran an article on the Fish Rock event. In one of the photos, Aid Station 2 is visible at the right. Tom N6MVT (a principal of the CARLA repeater system), sent a photo of the photo*

This year's Fish Rock Adventure was a very wet one. SAGs were much appreciated in this race as the rain made for a cold ride and SAG vehicles became a welcome respite from the chilly weather.

From Comm Boss, Fred AE6SF:  
Hi Fish Rock Hams,

Thank you for working the event yesterday. I hope you found it as fulfilling as I did. I think we did an outstanding job of providing effective communications over difficult terrain, and clearly contributed to the well-being of the riders during this event. The

## VICE PRESIDENT'S MESSAGE APRIL

2019

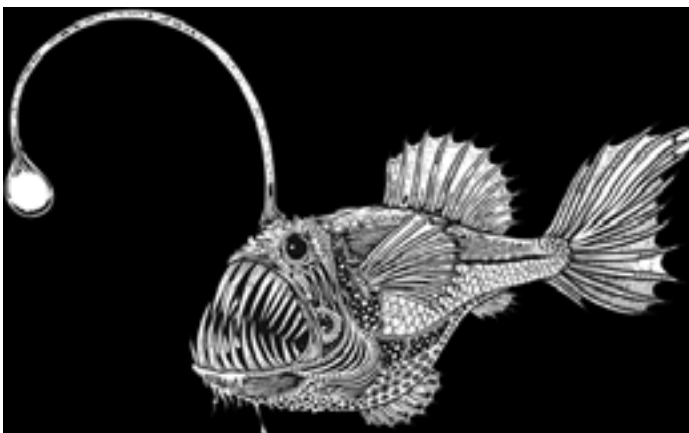

Greetings. The March Technician License Class was a success with all students earning licenses. Kudos to the five instructors and multiple VEs

(volunteer examiners) who freely gave their time to enable new people to enter our hobby.

Our first public service event of the year, the Fish Rock bicycle event out of Boonville, also was successful. Many thanks go to the seventeen intrepid hams who braved the rain and snow to staff this event. April has three events, with showers predicted this Saturday for the SoNoMas mountain bicycle race at Lake Sonoma, providing another opportunity to test your field capabilities. Visit the SCRA website to review and sign up for the many events that we serve. We welcome both vintage and nouveau hams.

We SCRA members are amid our 80th anniversary celebration as an amateur radio club. One facet is the offering of aesthetically-pleasing commemorative polo and tee shirts in a color of your choosing. The initial order window will be closing in mid-April, so promptly look within for details.

- Fred AE6SF

## APRIL PROGRAM

## DMR Update and Digital Hotspots

by Randy AA6RH

It's April, no foolin', and Randy AA6RH is back to give us all an update on the DMR scene in Sonoma County, as well as talk about digital voice hotspots, the repeater-like devices that, when connected to the Internet, become your personal gateway to DMR, C4FM and D-Star (and more), wherever you are! Some demonstrations of some of the popular hotspots will be shown, as well as "cross-mode" capability, which let's your Yaesu C4FM rig talk to DMR (and vice versa)! If you missed out on January's DMR introduction by Randy, this is your chance to get some hands-on time with DMR and hotspots!

---

### JOIN ARRL, THE AMERICAN RADIO RELAY LEAGUE

The ARRL is the national organization of Amateur Radio. It represents Amateur Radio at International Conferences and before the FCC. Get the monthly QST magazine, insurance for your equipment and too many other benefits to mention here. Click <http://www.arrl.org/membership/>

If you are not getting the ARRL San Francisco Section news by e-mail and you are an ARRL member, be sure to subscribe under your Members Only information or go to this Web site:

## SCRA Club Meetings

The club normally meets the first Wednesday of each month, socially at 6:30 pm, program starting at 7:00 pm. Exceptions are holidays or other big events.

Meeting location:  
Luther Burbank Art & Garden Center  
2050 Yulupa Avenue  
Santa Rosa, CA

### All are welcome!

Please join us at our next meeting. Anyone interested in Amateur Radio is eligible for membership. A membership application is included in this newsletter. For more information, contact any SCRA officer, director or member. Hungry before the meeting? Join us for dinner! We Meet at IHOP restaurant, 4th and Farmers Lane, Santa Rosa. People start showing up at 5:15 PM. No RSVP is required.

## Board of Directors Meeting

The SCRA Board of Directors will meet monthly on the Second Wednesday at the IHOP Restaurant, Fourth Street, Santa Rosa (in the Safeway/CVS Pharmacy center). All members are welcome to attend, no reservations necessary. Arrive around 5:15- 5:30pm for dinner. Meeting starts at 6:00pm.

## LOANER RADIOS AVAILABLE

The Club has a variety of radios available to members to try out and improve their skills. We have a Kenwood T590 SG HF radio; Yeasu FT 2900 2 meter mobile; Yeasu FT1D, an analog/digital 2 meter and 440mhz HT; Yeasu FT 60, a 2 meter and 440 mhz HT; and a TYT TH-F5 VHF 2 meter HT. Trying these out is an excellent way to learn some radio and test before you buy. Contact Joe, K6AWA, at [k6awa@yahoo.com](mailto:k6awa@yahoo.com) with your request. Joe will forward an information form to you by return email.

## UPGRADE TO GENERAL OR AMATEUR EXTRA CLASS

Get more privileges and enjoyment from your Ham Radio Hobby. [Mentoring assistance](#) is available. Contact Cornell Chesnik, W6HMN, SCRA Education Chair, at [w6hmn@sonic.net](mailto:w6hmn@sonic.net).

### Tuesday Night Net

The Sonoma County Radio Amateurs' net meets Tuesday at 7:00 PM on the SCRA repeater, 147.315, positive offset, PL 88.5.

All members and guests are invited to check in. The Net includes updates on SCRA activities, and News-line, the amateur radio community news service.

Anyone wishing to work as net control should contact lola kk6hre, at K6SON@ARRL.NET for assignment. Script and logs are available on the Website at <http://sonomacountyradioamateurs.com/wp/resources/net-script/>

## The Weekly 160 Meter Net

Announcing the new 160 meter net which runs from 8:45pm to 9:30pm Tuesday nights, immediately following the 10 meter net hosted by Joe K6AWA. Tune your radio frequency to 1.900 Mhz. LSB. 160 meters requires a General or above license to transmit.

## Your Tuesday Night Net Line-up

7:00pm Membership Net on the SCRA repeater, 147.315, positive offset, PL 88.5

**10 Meter Net** - starts at 8:00pm (new time) following the regular SCRA net Tuesday nights and ends at 8:45pm. Set your dial to 28,403.00 SSB, USB. Please note that all license classes (including technician) are welcome.

**160 Meter Net** - runs from 8:45pm to 9:30pm. Tune your radio frequency to 1.900 Mhz. LSB. 160 meters requires a General or above license to transmit.

## Digital Mobile Radio Sonoma County Talk Group 31707!

The club's DMR footprint continues to expand! We established a beachhead on DMR and the BrandMeister network of repeaters and hotspots by adding a talk group for Sonoma County! We are using talk group number 31707 to keep in touch on DMR and be able to discuss local news and topics of interest. The use of a talk group like 31707 allows a wider variety of Sonoma County DMR hams to be able to consistently reach each other on the air. Best of all, the 31707 talk group can be reached on hotspots as well as repeaters, meaning you can tie into your local community wherever you are!

### Sonoma County DMR Net, Mondays at 6PM PT!

We also started a DMR net for Sonoma County (using talk group 31707) that lets us practice a little bit of traffic handling, while also allowing us to get together and talk about ways we can integrate DMR into our normal operating habits! Currently Randy AA6RH runs net control, and it's scheduled ahead of the "Sonoma County EmComm Net Crawl" on Monday evenings. If you have a DMR radio, make sure to program it (or ask Randy to help you program it) to include talk group 31707 on any of the area DMR repeaters (there are at least four in Sonoma County!) and join us on Monday evenings!

## 2019 SCHEDULE OF EVENTS

Check the [Club website](#) for details

### Community outreach:

4/12 Family camping expo  
5/4 Human Race  
6/9 Monte Rio Vineman Triathlon  
6/15 Kids Day  
6/21-23 Field Day  
8/4 Space Festival  
8/3, 8/10 County Fair  
9/28-29 PCAM  
10/26 Science Festival

### Public Service:

4/6 SoNoMas postponed  
4/13 Lake Sonoma 50  
4/28 2019 Wine Country Tour de Cure  
5/4 Wine Country Century  
6/9 Monte Rio Vineman Triathlon  
6/15 Terrible Two  
8/24 Tour de Fox  
9/21-22 Waves to Wine  
10/5 Gran Fondo  
11/2? SoNoMas  
11/9-10 Santa Rosa bike trione

### 80th Anniversary

4/? Skunk train  
6/28 Field Day  
8/25 or 8/11 Picnic  
10/? Hamfest or swapmeet  
12/4 Holiday dinner

### OTHER:

8/15-18 Mini DX  
10/19 JOTA  
10/18-20 Pacificon  
4/27 VOARC hamfest

### VE Sessions

5/11  
7/20  
9/14  
11/16

## CONTEST CORNER

Welcome to April and this month's edition of Contest Corner.

Let's begin with a look ahead to the first weekend in May and mention a few contests that we don't want to miss. The 10-10 International Spring Contest, CW is there with marginal conditions yet giving us an opportunity to maybe work a few stations on 10m at this time with a declining solar cycle. FISTS has their Spring Slow Speed Sprint and all cw ops or those interested are encouraged to join in or at least listen in. It is another great learning opportunity. Delaware and Indiana have their state QSO parties and the 7th Call Area does as well. Wrapping up the first weekend in May is the venerable New England QSO Party, another popular Coast to Coast challenge.

The month of April has eight state QSO parties, nearly as many Qrp contests, and two State Parks on the Air, Florida and Texas. The 14th will bring the ARRL Rookie Roundup, SSB. For some of you who have been hesitant to get on the air with HF give some consideration to this contest for new hams. Rookies can work everyone and non-rookies only work rookies.

As with all contests the better you prepare the better the outcome. Your station is the means by which you will be utilizing your skills while contesting so make an effort to improve it every chance you get. Being part of a team or merely competing with another partner can bring added excitement and fulfillment to the experience. Learn to recognize the good and not so good operators so you can improve your on the air exposure. Also make sure you read the contest rules prior to "show time" and get the exchange down pat. Above all, find out what you like about contesting and have fun.

Do not forget to check out <http://www.contestcalendar.com>

Contact [nq6e@arrl.net](mailto:nq6e@arrl.net) for questions/comments/suggestions regarding Contest Corner.

72/73,

All dates refer to UTC and may be different from calendar dates in North America. Contests are not conducted on the 60-, 30-, 17-, or 12-meter bands. Mbr = Membership number. Serial = Sequential number of the contact. SPC = State, Province, DXCC Entity. XE = Mexican state. Listings in blue indicate contests sponsored by ARRL or NCJ. The latest time to make a valid contest QSO is the minute listed in the "Finish Time" column. *Data for Contest Corral is maintained on the WATBNM Contest Calendar at [www.contestcalendar.com](http://www.contestcalendar.com) and is extracted for publication in QST 2 months prior to the month of the contest. ARRL gratefully acknowledges the support of Bruce Horn, WATBNM, in providing this service.*

### SCRA Merchandise QST

The 2019 Sonoma County Radio Amateurs 80th Anniversary Apparel Event is On The Air!

But, you only have until April 10th to key in your orders before we QRT and head to production.

This event allows you to choose the shirt style in the color and size that fits you best. And with so many styles, colors and sizes to select from, now is the best time to order your club apparel for the year.

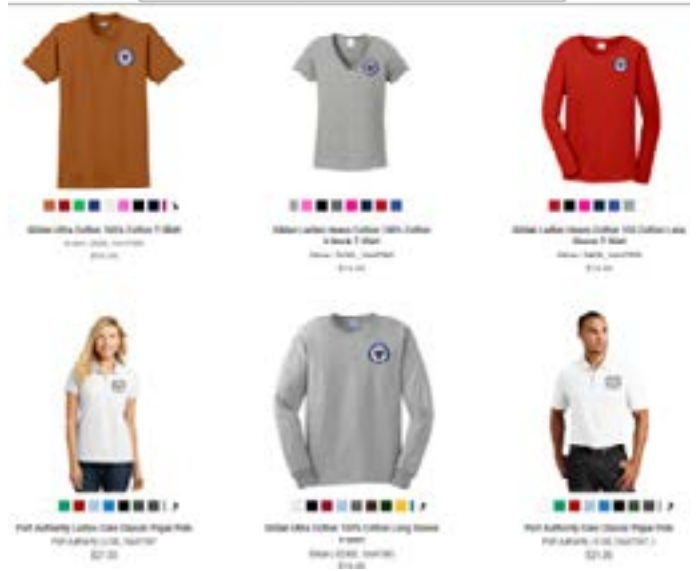

The T-Shirts feature our 80th Anniversary logo printed on a 100% cotton fabric. The Polo shirts feature an 80th Anniversary text along with our Mic-&-Key logo (pictured below) embroidered on a 60/40 cotton/poly pique fabric. More specific product descriptions can be found near the bottom of each product webpage.

The T-Shirts, short and long sleeve, are priced at \$16 each and Polo shirts at \$21 each. Depending on the style you choose, you'll find a large array of colors and sizes, from X-Small to 6X-Large.

To key in an order, just tune your internet device to Halls Executive Gifts and Awards' webstore. The QTH is <http://scra.hallsapparel.com>.

All major credit cards and PayPal are accepted. If you have any questions or comments, please email [merchandise@sonomacountyradioamateurs.com](mailto:merchandise@sonomacountyradioamateurs.com).

As soon as the shirts come out of production and are ready to be distributed, you will receive an email with the options of picking up your order by attending a membership meeting, attending Field Day, or making a trip to Rincon Valley in Santa Rosa to the home of the Merchandise Chairperson.

The Sonoma County Radio Amateurs would like to thank Halls Executive Gifts and Awards, a.k.a. Frederick Engraving in Rohnert Park, for making this member offering possible.

...Fish Rock, continued from page 1

other volunteers that the comms team played a critical role in keeping riders safe. I especially want to thank the SAGs and those of you who went out and transported riders between stations and back to the start AND those who provided warm places for riders to come back up to temperature.

We pulled the final rider at 6:30 at 128/Fish Rock. He is one of the most experienced long distance riders I know having completed rides exceeding 750 miles in around 85 hours. He has ridden in conditions similar to this. I say this so those of you who offered to SAG him and were rejected, it wasn't personal. He also happens to be one of my best friends, so I knew he would listen to me when I told him it was over. Thank you for watching over him!

You guys did an outstanding job. Thank you from all of us at Bike Monkey.

John

### Ooh, ooh, I have a Question!

From the General Class Question Pool:

When choosing a transmitting frequency, what should you do to comply with good amateur practice?

- A. Insure that the frequency and mode selected are within your license class privileges
- B. Follow generally accepted band plans agreed to by the Amateur Radio community
- C. Monitor the frequency before transmitting
- D. All of these choices are correct

## SCRA Membership QST

The SCRA membership stands at 192.

Welcome new and returning members:

- Peter Murphy KN6AWA (T) Windsor

New call signs:

- Erin Casteel - K6ERI
- Ibrahim Sial - K2IBE

License Class Upgrades:

- Ibrahim Sial K2IBE - General

If you have recently achieved a new license class, obtained a new call sign, or changed your address, email or phone, please email [membership@sonomacountyradioamateurs.com](mailto:membership@sonomacountyradioamateurs.com) with your update. And don't forget to report your address change to the FCC!

## And What About This?

From the Extra Class Question Pool:

How does the maximum distance of ground-wave propagation change when the signal frequency is increased?

- A. It stays the same
- B. It increases
- C. It decreases
- D. It peaks at roughly 14 MHz

**Sonoma County Radio Amateurs  
Membership Meeting Minutes  
Date: March 6, 2019  
Call to order: 7:05 pm**

Board members present: John KE5RI, Fred AE6SF, Iola KK6HRE, Randy AA6RH, Bill KM6BYD

Absent: Matias KM6GWK

The president determined that a quorum is present.

Radio loaner program: Joe K6AWA announced that equipment can be borrowed: DMR, Handheld, HF and more

New members: Ray KC6NEW

Guests: Brian KM6VRW, Ken WB6NOB who presented the Red Oak Victory radio club on ship

**NET CONTROL:** The following members are the net control stations for:

Mar 12 – Joe K6AWA  
Mar 19 – Ibrahim KM6RQF  
Mar 26 – Gary KM6CPU  
Apr 2 – Charles KG6CTT

**Announcements etc:**

Warren K6WRP changed his call sign, was KM6WRX

Ibrahim upgraded to General

**Program:**

Randy AA6RH discussed upcoming programs:  
April – DMR hotspots (4 DMR repeaters in Sonoma County)

May - HF

June - Field Day

Randy introduced Jim McLelland WA6QBU He presented his design for a 160 meter magnetic loop antenna, and showed a 40 M version which would fit in the room. He handed out a schematic of the antenna including dimensions.

It is 50 feet around the loop made of window line which makes 2 turns and a tuning stub. You need an antenna analyzer to adjust, that will tell you impedance as you will tune to minimum impedance at the end of the coupler lines. As a diamond, it is 18' by 18' You can replace tuning stub with capacitor to enable tuning.

Ham of the month award: Fred presented it to Erin K6ERI for her work at Winter Field Day

Approval of minutes: deferred to next month as Short Skip has not yet been released.

**REPORTS**

Treasurer report: Iola KK6HRE: reviewed the checking balance, income, and expenses

Activities: Jeff KI6PBF and Iola KK6HRE: Jeff is planning a trip to the Press Democrat printing room. Iola reported that the anniversary committee is re-planning the activities. We will have a picnic at Spring Lake. She would like ideas for a DIY workshop.

Community outreach: Darryl KI6MSP: no report

Education: Cornell W6HMN: The technician class is March 22-24 at National Instruments, there are 8-10 people possible.

Merchandise: Dan KK6VIQ: Shirt sale is almost ready and will be announced shortly.

Membership: Dan KK6VIQ: two members renewed today, 191 members total.

Repeater: Jack K6ROW: We are tweaking the DMR repeater. The 440 repeater is currently offline.

***Continued on page 10...***

...Minutes continued from page 9

DX Team: Doug KF6LMB: Mini-DX is Aug 15-18 west of Honeydew near Garberville, about \$25/night, 2 cars per site. There will be a potluck. It is during the North American QSO party.

VE testing: Brian N6IY: There was a VE session last Saturday. 3 people were tested. Next is May 11, Bennett Valley Grange hall. We can consider testing at Field Day.

Field Day: Brian N6IY: We have secured Youth Community Park for 2019. The first planning meeting is Sat March 16, and he is looking for team leaders to volunteer.

Public Service: Iola KK6HRE: First 3 events are pretty well staffed including shadows. Most important is to get comm bosses for the remaining events that need them. First event, Fish Rock, is this weekend. SoNoMas has openings. Please check the club website and sign up.

Refreshment committee: John is looking for someone to take this over. He suggests we split this into 3 time segments, and is looking for people to take 3 month segments. The following volunteered: April-June Jim KI6REK, K6WRP Warren July-Sept, Oct-Nov Cornell W6HMN.

80th Anniversary committee: Iola KK6HRE: covered in Activities

**OLD BUSINESS**

None.

**NEW BUSINESS**

Doug reminded us that Daylight Savings Time starts Sunday.

The meeting adjourned at 8:50 pm.

Respectfully Submitted,  
Bill Dornbush KM6BYD

Silent Key - Betty Bravin AG6C

Betty became a Silent Key on January 4, 2019.

From her [Obituary](#) -

“Amateur radio became a huge part of her life starting in the 1970’s. She started teaching classes primarily for women as the field was mostly male dominated. Her HAM call sign was AG6C. She taught classes and volunteered during events and disasters.”

She was SCRA’s member of the year in 1985.

## SCRA BOARD OF DIRECTORS MEETING MINUTES

**Date: March 13, 2019**

The meeting was called to order by John Felton KE5RI at 6:06 pm. A quorum was present.

Board members present: John Felton KE5RI, Fred Seitel AE6SF, Bill Dornbush KM6BYD, Iola Beckley KK6HRE, Randy Hall AA6RH

Absent: Matias Santani KM6GWK

Others: Doug Payne KF6LMB, Darryl Paule KI6MSP, Cornell Chesnik W6HMN, Dan Drummond KK6VIQ, Joe Fortuna K6AWA, Charlie Sikes KZ6T, Brian Torr N6IIY, Pat Coyle KG6JSL, Mike Von der Porten AD6YB, Philip Humes KF6GNH, Ibrahim Sial KM6RQF

Approval of previous meeting minutes: Minutes were approved

### OFFICER AND DIRECTOR REPORTS

Treasurer report: No change from last week's report

### COMMITTEE REPORTS

Activities – no report

Community Outreach – no report

Membership – We have 191 members, 62 extra class, 60 general, 2 advanced, 61 technician; We need to update the membership map after each Roster is released

Public Service – Fish Rock went well although it was bad weather; We need a Terrible Two comm boss; May 4, Fred AE6SF will be Comm Boss for Wine Country Century. Dan suggested a shadow position for comm boss, and Fred said this needed to happen before the event.

Merchandise – Hall's has our shirt site ready, and we have sold 9 of each so far, he wants to order by April 8, prices are the same for each size but may not be in the future.

Education – no change since membership meeting

Em Comm – no report

Field Day – The first planning meeting is this Saturday, and the rental fee for the city park went down from last year.

Programs – April will include a DMR refresh, and hotspots; May: Joe K6AWA, Jeff KI6PBF, Jim KI6REK will discuss HF with a demo; June: Field Day

Website – not present

Refreshments – Jim KI6REK will do the next 3 months

Repeater – Repeater committee will meet on March 20th, They are still working on tuning the DMR repeater, still exploring at Castle Rock using 440. There was a question at Castle Rock about APRS digipeater. It is owned by Adam KD6POC, and supported by us but we are not providing equipment.

Radio Loanout program – All is fine; Joe wants to have loanout program on website, roster, Short Skip, and it will happen for their next cycles.

80th anniversary committee – Skunk Train on hold, we are waiting on them, it may happen with us just going there. Iola will contact the city soon about August picnic as soon as the date is available on the city calendar.

### Unfinished Business –

Solar project – There was discussion about a project to change our power for field day, it will be discussed at the Field Day planning meeting and they will report back to the Board.

### NEW BUSINESS

Matias Santini has resigned as Director as he has too many time commitments. We reviewed the Bylaws as pertains to a board resignation. The President can make an appointment and is appointing Doug KF6LMB until the next club meeting. John KE5RI will send an email announcing to the membership that there will be an election at the meeting.

The meeting ended at 6:36 pm.

for flyer and map: [www.vomarc.org](http://www.vomarc.org)

## Field Day – Let's Show the Public What Amateur Radio is All About

When the ARRL proclaimed the first "International Field Day" in 1933, the purpose given was: "Besides offering an opportunity to get out in the open in this fine spring weather, the real object of this contest is to test "portables" wherever they may be available. If successful we want to make it an annual affair."

Nowadays, Field Day is on the fourth full weekend in June. So this year it will be June 22 and June 23.

But it is still a means of testing our ability to operate at sites away from our normal stations and working "off the grid".

Perhaps most importantly, however, it gives us a chance to demonstrate these capabilities to the general public.

On top of all that, it gives us a chance to socialize. We can even camp out on Saturday night.

Which brings us to Field Day 2019. Although June 22/23 may seem like a ways off, we've already had our first planning meeting and we have two more scheduled. Our next Field Day Planning Meeting will be Saturday, April 20, from 10:00am to 11:30am, at the Field Day site, Youth Community Park, 1725 Fulton Road, Santa Rosa (across the road from Piner High School). If you are interested in any aspect of Field Day, please join us. Bring your own chair.

We have already found leaders for many of the volunteers positions, but there are still several more to be filled. Check out the Field Day website for the complete list (<http://sonomacountyradioamateurs.com/wp/events/field-day/>). You don't have to be a seasoned ham to be eligible. This is an event for all hams, regardless of skill level, to learn how to setup and operate HF and VHF stations in the field.

There will also be an Educational Activity on Saturday, June 22, at 3pm. We will be building 2m groundplane antennas. The antenna design is the same basic one as we did a few years ago, but this version includes a

storage tube..

We plan on having four HF stations: SSB, CW, Digital, and GOTA

What's "GOTA"? GOTA stands for "Get On The Air". It is an opportunity to introduce new hams, or even non-hams, to operating on the HF bands. Hams that have been licensed for several years, but have been generally inactive on HF are also eligible to participate.

The GOTA station will be operating from solar power exclusively.

We also plan on making a satellite contact.

There will also be a barbeque dinner Saturday evening, starting around 5:30pm.

We also plan on holding an Exam Session on Saturday, June 22, starting about noon or 12:30 pm and being done by 2:30pm.

This year we are also hoping to staff a "Tech Bench" where hams can come and get some help on things such as how to install Anderson Power Poles, simple radio checks, and mobile antenna installation checks. If you think you could help in this area, please let me know.

As you can see, Field Day is an event-packed weekend. If you are looking to learn something, anything, about amateur radio, this will be the weekend to do it.

If you can make it to our next planning meeting on Saturday, April 20 at 10am, wonderful. If you can't make it, please send me an e-mail with any suggestions you may have or how you think you can help.

Let's make Field Day 2019 even better than last year!

# Vintage Zenith Radio

Hello,

I picked up your brochure at the fair last year. I have a 1947 Zenith Trans-Oceanic Portable radio for sale/donation.

It is Model No. 8G005. It is in fairly good condition.

Is there anyone in your club that might be interested in such a radio?

Thank you so much in advance for your reply.

Kind regards

Virginia Pressler

## SHORT SKIP ARCHIVES AVAILABLE

Mike, AD6YB, has set up archives for past and present issues of Short Skip. They are available on the Website, log into Members Area, Short Skip, click on the first sentence. Mike has scanned in the old paper issues and it is really interesting to browse through them to see what those guys were doing. There are historical photos as well. An important record of our history and ham radio in general. Good Stuff.
