## The Officer's Daily Log

### Meet The Hotel General Manager of Grand Princess

Tim Ellis grew up in Radyr, Wales. He studied Hotel Management in college and joined Princess Cruises in 1986. Since then, he has seen the fleet quadruple and Tim was selected as part of the set-up team for several new ships.

As Hotel General Manager, Tim most enjoys meeting passengers and exchanging stories of the high seas. He suggests that the best way to escape completely is to simply let Princess take care of you!

Ashore, Tim lives with his wife in Jakarta, Indonesia, and he enjoys reading, cooking and entertaining.

### By Hotel General Manager Tim Ellis

Helping you Come Back New is the role I'm privileged to play here on board. If you're seeking a comfortable place to unwind, I recommend reclining in the padded lounge chairs and allowing yourself to be pampered by attentive Serenity Stewards at The Sanctuary. That's our on-deck haven, exclusively for adults. Or you may prefer a relaxing massage or invigorating workout at the Lotus Spa® and Fitness Center. Or perhaps you'd enjoy a dip in one of our freshwater pools.

Discover Puerto Vallarta, where the adventurous may want to scramble along the jungle canopy of the Sierra Madre mountain range on a ropes course where swings, bridges and exhilarating ziplines reveal beautiful treetop views. Others may take to the water to snorkel, swim with dolphins or interact with sea lions, for unforgettable splash-worthy memories. I also highly recommend heading to Hacienda Doña Engracia, a tequila factory and ranch where you'll be treated to a tasting, an authentic Mexican meal and the lively entertainment of a folkloric show.

Remember, there are also plenty of entertaining things to do on board Grand Princess®. Some passengers can't resist grabbing a club to practice their putting at the Princess Links. Others are drawn to the great deals you can find at our art auctions as well as our tax- and duty-free boutiques. Many stop by the Internet Café to keep in touch with friends and family back home.

Whether it's livening the afternoon with a friendly trivia contest or keeping the excitement rolling in our casino, we're all here to make your voyage unforgettable. And each of us on board is proud of our role as The Consummate Host®.

### From the Navigator

For our arrival in Puerto Vallarta the Grand Princess will approach mainland Mexico from the west, as we sail into 'Bahia de Banderas'. Shortly before reaching Vallarta port, we will embark the local Pilot and enter the narrow buoyed channel. Once inside the harbour the Bridge team will perform a tight swing using the ship's thrusters, whilst simultaneously moving slowly astern and bringing the ship alongside. For our departure we will thrust off the berth, put our engines ahead, and make a tight turn to port before following the buoyed channel out of the basin. Once we are outside the 'Bay of Flags', we will set various Southerly courses to reach Manzanillo.

### Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you may be required to show this at security checkpoints upon your return. We kindly ask you not to accept and bring onboard any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

### Beach Towels

If you are heading to the beach, do not forget to take your beach towel, but please remember to bring it back onboard yourself! Thank you for your cooperation.
