Important meeting 6 June 1979. This meeting will be about the upcoming Field Day. This year Field Day will be held on 23,24 June. We will be using the same site as in previous years. For more info attend the meeting. Don't forget to bring your QSL cards for the May contest.

POT POURRI...Heard a rumor that AG6C has calloused lips from all the 88's she's been sending all over the world...N6AUP said something over 13/73 about looking forward to sleeping with Hoppy at the Field Day site...WD6AJR has built a new audio filter...Haven't heard what he plans to do with the old one on the front of his face...Maybe it'll turn up at the June 6th club raffle...WD6CWO is recovering from a heart attack in the Sonoma Hospital...WB6UDR was going over the hill on vacation recently...ACX and NBR are wanting to find out how you get back once you're over the hill...Several Santa Rosa and Sonoma hams were involved in a fruitless search of Cavedale and Trinity Roads for a Washington ham who reported over the regester that he'd

gone off the road and was seriously injured...
To Rose a hearty GOOOOD MOOOORNING...
The report from the Fresno Hamfest is that
we went, we had a good time, we returned...
The hospitality room was well recieved... We
have been asked back again next year... Two
members won prizes along with one XYL...
AG6C has been spreading a rumor that NBR needs
a shot for something... Let me put that
rumor to rest and set the record straight...
For what Betty thinks a shot is used for NBR
needs a blood transfusion... Think about it..

MINUTES

MAY 2, 1979

Meeting called to order by Pres. Don, KB6LO
at 8:16 PM.

Introduction of members and guests. 30 mem-
bers and 10 guests.

Boxes for 2 meter tuner will cost \$3.00 the
club will get \$1.00 of this.

Vern, K6CNJ described the ant tuner.

OLD BUSINESS

Fair booth needs ops, especially traffic
handlers both at the fair and at home. World
Radio club package for \$52.00 was sent to
World Radio. Looking for alternate places for
club picnic and auction. Possible club pro-
ject, Club filter from Dec 78 QST.

Fresno Hamfest hospitality room with beer
and pretzels. Ron, WB6NBR moved that the club
pay (donate) \$20.00 toward the hospitality
room. David, WD6AJR seconded, defeated.

Reminder by Don KB6LO that dues are due, also
what can club do to make \$8.00 worth while.

Need to order badges for new members.

Can use club treasury for public relations,
i.e. books, subscriptions, for public
library.

Don, W6DZM suggested billing for dues.

Gas crisis- keep eyes open for open stations.

Need volunteer to help set up ARES for the
City of Santa Rosa.

Hank W6DTV announced that the western Sonoma
County emergency group meets on 146.49 MHZ.

Mondays at 7:15 PM

Don KB6LO started contest between now and
June meeting. CW novice portion only. Prize
for most contacts, certificate and trophy.

Ron and Terry will coordinate Field Day.

Meeting adjourned at 9:09 Pm.

Looks like
ke things are really humming around our club
. It seems all facets of amateur radio ^{are} gettin
ing activity. We have members really ^{gettin} ^{the}
the low bands for DX, running and working
nets, phone patches, construction pro- ^{craft}
jects, Teletype and even getting started in
Fast Scan TV. If you have a particular interest,
why not share it with us? Give a demonstration
or tell us what you're doing.

It has been suggested to get some sort of
identification for the club when we participate
in public fundtions. Several ideas have been
presented, including patches with a club em-
blem. We would like to take a vote on this
matter as soon as possible and would like to
hear from all members. Please be present at
our next meeting and be heard.

Another topic up for discussion will be
whether you want to combine the picnic and
auction together into a Sunday Hamfest or do
you want to keep them seperate? Speak now or
forever hold your peace. It's your club!!!

Each month, from now on, we will be raf-
feling a subscription to World Radio Mag.
This is a fine publication and if you are pre-
sent, you might be the lucky winner. If you
can't wait and would like your subscription
now, we can take your \$7.95 and the club gets
to keep \$1.00. The same applies to QST. Keep
that in mind when you renew. See Dave, WD6AJR.

A quick word about the Fair. Work scheds
are being prepared now and we need names. Can
you spend some time in the exhibit? This is a
good chance to see the fair and meet a lot of
potential Hams. Any and all Amateurs are in-
vited to participate. Amateur Radio can stand
up and be recognized in Sonoma County but it
will take a lot of help from all of us to do it.
If you can't make the meeting or if you have
any questions, contact Don, KB6LO at 546-7047.
Do it now before you forget.....
