Dec. 6-7 ARRL 160 Meter Contest
Dec. 13-14 ARRL 10 Meter Contest

Spark-gap

Well now that the "Big Event"
is over, we can buckle down to some
serious business, of advancing one
of the best and most active Clubs
in Northern California. I am look-
ing forward to the Pacific Division
Convention at Marriott's Great -
American on August 29 thru. 31.

I fully expect to have our Club
receive the award for Best Club.
We did not reach this level by only
one or two people working for it.
In spite of my continual griping,
there have been many members that
have turned out and helped turn our
Club into what it is today. To all
those who have put this effort forth
I thank you! I am sure none of you
regret your efforts and am also sure
that you have gotten pleasure out of
the association with fellow members.

I think this aspect is the most
important part of Club participation.

There are many fine programs in
the works for the rest of the year,
but it will still take someone to help
out to insure their success. Climb
along!!

At your service for the next five
months.

Don, KB6LO

SONOMA COUNTY FAIR --1970

Thirteen Days of Amateur Radio
on Display. How many Clubs in this
Country can Claim a record like that?

All in all it was a fine exhibit.
Statistics? Here are a few.

Total Man Hours--650 plus.

Number of Staff --35

Most Hours Worked--K6ROP, about 130

Radio grams Originated--500

Radio grams received--27

Radio grams Undelevered--12

Potential Amateurs-----44

New Club Members-----3

ARRL Handouts distributed 2000

Emergencies:

Three Medical, (including one
heart attack). Assisted Sheriff to
locate Patrol Car Keys. Located run-
away boy from Portland Ore., and
reunited him with his mother, who
came down to see him. All because of
one of our free Radio Grams.

missed a good game. \$100,000 worth of money.

more and more with 100 painless strokes for these first

The Club members got up early this year. We were all ready to go on the air at 11 am. After a quick snack and a cool 807 we

The only thing missing was the jar of peppers left from last year.

In a fit of jealous rage, boy.... Fortunately he was stopped in time and we will have the quad up again next year.

Conclusion*****

Sonoma County Fair---

Photos will be available At the Club Meetings for those who were unfortunate to miss it.

We hope that a committee can be formed immediately to start working up plans for next year. Many changes need to be made, and it can be the biggest and best one yet with proper planning. Dont wait till May to get started. Someone pick up the BALL and get going.

A better summary will be forth coming and should also appear in one of our National Amateur Publications.

Thanks a million to all who helped.

Don KB6LO

August Meeting:

Special Program for the August meeting will be presented by Mr. Mike Ferguson. Mike is a Crime Prevention Specialist and Deputy Sheriff.

Home Security, It's on Neighbor- and Their Friends to
His presentation will be a Film and seminar on Home Security. It will include a question and answer period with emphasis on Home Watch. We all have valuable possessions to protect and should be something in this for everyone. Invite your friends to attend and make Mike's appearance worth while.

FCC Activity---

Operators using fictitious calls, etc., on area repeaters are being traced down.

Following Citations:

Section 97.2--Operating on a frequency not covered by license authorized.

Section 97.64 Failure to identify the station by transmitting the assigned call sign.

Section 97.121 Transmission of a false call sign.

Note:

Please bear with us. We are working under hardships this month. We lost our good printing facilities. We hope for the better soon.

Thank
