SCRA VEC Team's 1993 Summary

by Dave New AA6YX

1993 was a good year for the SCRA VE Team. We had 3 testing sessions with a total of 57 people tested. Of those 57, 28 either obtained a new ticket or upgraded to a higher one! That is a 49.1 % upgrading percentage! Our team had its hands full with 89 test elements given. Of those 89 elements, 51 (57.3%) had passing grades. The following is a breakdown of licenses obtained: 2 Novice, 11 Tech, 7 Tech w/HF, 3 General, 2 Advanced and 3 Extras. Congrats to all of you!!!

The VE's who were there to give all these tests were: Jeff Moritz KC7VS, Claude Jones AB60L, Alan Bloom N1AL, Ken Kerwin K6UXO, Charles Masten AB6SG, Steve Lund WA8LLY and myself, Dave New AA6YX. Thanks to you and to all the others who helped with the setups and cleanup of the sessions. Without all your help there would be no VE program!

1993 also saw some changes to VE exam procedures. Now all Novice testing will be handled under the VE program. General licensee holders can now become VE's. The Novice and Technician tests were updated, and the FCC has dropped the station location from the license.

It is rumored that in 1994 VE's will have on-line modem access to issue new licensees at the session. That will mean a new ham will be able to get on the air immediately after passing the tests. No more weeks and weeks (or for some, months and months) of waiting!

Next year's SCRA VE Team schedule will be Jan 8, Apr 9, July 9 and Sept 17. These are all on a Saturday. Registration will be from 8:30 - 9:30 AM and testing will start at 9:30 AM. The first session will be at the Hewlett Packard facility off of Petaluma Hill Road in Rohnert Park in the "Oak" room. The April and July sessions will meet at the HP plant in Santa Rosa on Fountain Grove Parkway (the same room as club meetings). The September session is held in conjunction with the SCRA Swap Meet in Sebastopol at the Holy Ghost Hall. Hope to see you there!

Thanks again to all the individuals who helped and to SCRA for sponsoring this effort! A special thanks to Dale Westerterp WB6TMS, who gathered and organized VE Teams from Sonoma, Napa and Marin counties to provide at least one test session in our area each month. Happy holidays and have a great '94!

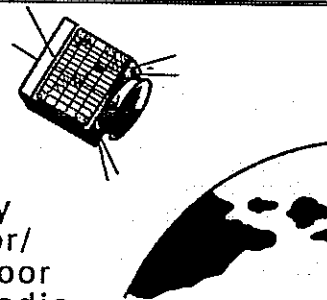

Christmas Party

The annual Christmas Party is Wednesday Dec 1 at Cattlemen's restaurant in Montgomery Village in Santa Rosa. No-host cocktails start at 6 PM with dinner at 7 PM. Fish, chicken or steak for \$13, gratuity included. Please RSVP to Pete Sourek KC6UXM 838-0622, so we'll know about how many are coming.

Winterfest '94

The 5th annual "Winterfest 94" in Monterey is Saturday, Jan 15 at the Monterey College Armory. Indoor/outdoor flea market, door prizes, VE exams, Radio Clinic, and demos: Voice, CW, ATV, SSTV, Satellite, Red Cross/ Salvation Army/Santa Cruz ARES comm. vans, packet, MARS, spread spectrum. Free admission, sellers \$10 indoor, \$5 outdoor. Sellers may pre-register with Beverly McKinney KC6AMI, 9 Glenn Ave, Prunedale CA 93907, 408-663-6117. Info: 800-497-5130.

Antenna Committee

by Joe Senft KM6TN

The matter of Don, KD6HQ vs the City of Santa Rosa was last reported in the July, 1993 issue of *Short Skip*. Much has transpired since that time.

The Design Review Board

Don appeared a second time before the city's Design Review Board on August 19, 1993 and again requested that the Design Review Board grant approval of his antenna installation. Since the prior appearance before the board, Don had removed his 40 meter rotatable dipole and half of the boom and two elements of his tri-band. This materially reduced the mass of the antenna and of course also reduced its effectiveness. Don presented photographs of the modified antenna to the board and explained what he had done. After hearing Don and myself speak, the board heard from the complaining neighbor.

After brief discussion, the board again rejected Don's appeal and advised him that if he desired to pursue the issue he would have to appeal their ruling to the City Council. Don elected to do so and filed the necessary forms.

The City Council

The matter was heard by the City Council on Tuesday, November 9, 1993. I spoke very briefly at the beginning of the meeting and submitted a four page document to the Mayor and each of the Council members which outlined in some detail our position regarding an Amateur's right to have an antenna and suggesting that the present ordinance was unworkable. I also offered the services of our association to the City staff to prepare a workable model antenna ordinance which, if enacted, would specifically outline conditions governing Amateur Radio antennas within the city limits of Santa Rosa.

After disposing of several other matters the Council came to the matter of Don's antenna. First to be heard was Ron Allen representing the Design Review Board. He reviewed what had transpired and recommended that the council deny Don's appeal from their prior negative decision.

Don's Turn

Then came Don's turn. Don told them what he had done to minimize his antenna and why moving the tower would be prohibitively expensive. Don had also submitted written comments. Considerable discussion ensued. Our Mayor mentioned that there were several communications at hand including one from Ken McTaggart (N6KM). It appears that the Council did in fact take the time to read these communications. At times during these discussions it appeared that we were going down in defeat, but with an unexpected assist from the city attorney, Bruce Leavitt, the Mayor brought the matter to a conclusion.

The Decision

The result: A motion stating that Don can keep his antenna, and of much greater importance, that the City Attorney's office be directed to work directly with representatives of the Santa Rosa Amateur community to draft a new ordinance applicable to Amateur Radio antenna installations. This was a goal that we had hoped to achieve sometime in the future so you can appreciate our feelings when we heard the motion. The vote was four in favor and one against the motion with Mr. Berto dissenting. This was not unexpected after hearing his comments during the discussion.

We now await contact from the City Attorney's office. I feel that we have been presented with a wonderful opportunity to work with our City to greatly enhance the ability of local Amateurs to have effective antenna installations and to do so with a minimum of red tape. The battle is far from over but things sure are looking up.

Our thanks to the many SCRA members who showed up to support Don's appeal. I am sure the Mayor and Council noted your presence. Stay tuned for further developments.

SCRA MINUTES

November 3, 1993

The meeting was called to order by President Rick Reiner K6ZWB at 7:35 PM.

VISITORS: We had 4 visitors: Lee Dibble from NY, Dan Oblan, Bonnie and Dale KF6RZ. NEW CALL: Paul KE6BCD.

The MINUTES and TREASURER'S REPORT were approved as published. m/s KB6PTA/KD6FBN.

REPEATER: WB6PER explained that the autopatch is turned on only when a control operator is listening. Kelly KD6CJQ is now a control operator.

PUBLIC SERVICE: The last event for 1993 is finished.

EDUCATION: Steve KK6VY reported that 12 took the novice test last Thursday, with 8 passing. 4 of 6 passed the Technician. Instructors are needed for more classes. We also need a new classroom. Rick K6ZWB needs some help for construction and antenna classes this winter. Jim KD6GCD volunteered for the antenna class.

MEDIA RELATIONS: KK6VY has also been appointed Public Information Officer for the San Francisco section of the ARRL. Give Steve any information for media distribution.

ACTIVITIES: The mini-DXpedition is postponed for next year.

CPR CLASS: A sign-up sheet was passed around.

ANTENNAS: Don KD6HQ reported on his antenna problems with the City of Santa Rosa. He goes before the City Council November 9.

BADGES: If you are a new member, check with N6YEU to pick up your badge.

MEMBER OF THE YEAR: John W6TLK asked for nominations.

ELECTIONS: The Nominating Committee is Jim KC6PJW, John WB6FRZ and John WX3K. The nominations were: President: N6VUC and KK6VY, Vice Pres: N6VUC, KK6VY and KK6GP (nom./second N6VUC/W6TLK), Secretary: N1AL, Treasurer: N6IHY, KN6JQ and KK6GP (nom./sec. KC6UXM/KC6UXJ), Member-at-Large: KN6JQ, KD6KWM, KD6CJQ and KI6QY (nom./sec WB6PER/KB6PTA). Each candidate made a few remarks. It was suggested to write ideas for programs on the back of the ballots.

And the winners: President: Merl Pfeiff N6VUC, Vice Pres: R.L. Caron KK6GP, Secretary: Alan Bloom N1AL, Members-at-Large: Kelly Cureton KD6CJQ and Marie Mappus KI6QY.

PROGRAM: While the ballots were being counted, Darlene KD6GCK gave a brief program on emergency preparedness.

The RAFFLE was handled by Dave KD6KWM. The prizes were thanks to HSC and Ardco.

LOTTERY: Hank W6DTV's number was pulled, but he passed! The lucky winner turned out to be Kelly KD6CJQ, who went home with \$40.85.

The meeting adjourned at 9:45 PM. [Who took the minutes? - Ed.]

Board Meeting Minutes

November 10, 1993

The meeting was called to order at 5:45 PM in the Northbay Savings meeting room by President Rick Reiner K6ZWB. Other Board members present were Vice President Pete Sourek KC6UXM, Secretary Al Bloom N1AL, Repeater Chairman Jim Rutherford WB6PER, and members-at-Large Kelly Cureton KD6CJQ and Merlyn Pfeiff N6VUC. Members Joe Senft KM6TN, Don Boosinger KD6HQ, Mike Michlig KN6JQ, Ted DeCroff KB6PTA, Fred Leoni N6YEU, Jim Andrews KC6PJW, Jim Pelmulder N6PTM, Kathy Mahan KC6UXJ, and Dave Willey KD6KWM also attended.

CHRISTMAS PARTY: N6VUC's XYL is again making a sweatshirt for the Member of the Year, to be presented at the Christmas party. The party starts at 6 with dinner at 7, on Dec. 1. The joint Board meeting (old and new directors) on Dec. 8 will discuss next year's budget.

CORRESPONDENCE: N1AL has received a callsign T-shirt ad, and a bill from Letter Ship Printing.

DONATIONS: KC6UXM notes that we recently would have received a large donation if the donation were tax-deductible. N1AL is looking into getting IRS 501(c) status. A friend of Ed AB6QL has donated some ham equipment to SCRA. We need to look it over to decide what to sell and what to keep.

REPEATER: WB6PER reports that Mike Aber is now building the battery rack and has ordered the battery boxes and parts. He is shooting for the first of the year. KD6HQ asked if 3-4 hours of backup time is enough. Jim replied that the commercial repeaters on the hill have a similar battery backup time, so the county will be highly motivated to get the generator back on-line in the event of a failure during an emergency.

HOME BREW: KN6JQ has an idea for an antenna kit for the club. It is a log periodic beam (for each of several bands) that would sell for around \$20 and be easy to assemble.

ANTENNA COMMITTEE: Joe KM6TN announced that there are now two legal Amateur antennas in Santa Rosa, one belongs to Don AB4C, and, as of last night, one to Don Boosinger KD6HQ. The City Council overturned the Design Review Board's denial of Don's antenna proposal and directed the City Attorney to work with the Amateurs to draft an antenna ordinance. A very positive outcome!

Joe emphasized, however, that there are no changes to Santa Rosa's zoning laws at this time. Don't feel that you can rush out and put up a 100 ft tower! WB6PER stated the Board's thanks to the antenna crew for their successful efforts. N6VUC wondered if we should send in a report to the Amateur Radio Newsline. Joe felt we should wait until we have made progress on an ordinance. N1AL will send out the antenna questionnaire to all Santa Rosa hams.

HANK'S SWAP SHOP: KD6KWM is considering putting out a Swap Shop listing on packet, directed to Northern California. Each lister should give his permission for the re-post. The Board voted to OK posting Hank's Swap Shop on packet, using the SCRA name. m/s KC6UXM/N1AL

WORLD RADIO MAGAZINE: KB6PTA wondered why SCRA was not listed in World Radio magazine in the Exams column. N1AL said that SCRA used to be listed in the Clubs column — for so-many dollars a year you get the listing and 12 subscription coupons. Al will get the details.

BADGES: N6YEU submitted a bill for reimbursement. We need a Badge Chairman volunteer for next year.

Meeting adjourned at 6:48 PM. m/s KC6UXM/K6ZWB Respectfully submitted by Al Bloom N1AL, Secretary.

SCRAPS: SCRA Public Service

By Kathy Mahan KC6UXJ

Facts, Figures and Farewell:

1992 Public Service Volunteers worked 17 Public Service Events for a total of 1,651 hours from March 28 to October 16, 1993. 9 people spent approximately 192 hours coordinating these events. Way to go everyone!

As most of you know, Marie Mappus KI6QY will be the Public Service Coordinator in 1994. Good Luck Marie and I'm sure you'll have hundreds of volunteers!

I'd like to take this opportunity to thank every single person who volunteered for public service in the past 2 years and following are the hours for 1993. (If you feel that there is an error, it is not intentional by this operator. Call me with any corrections).

MERRY CHRISTMAS AND HAPPY 1994!!

I have seen several versions of this story in recent years — most in the guise of a report to the ham's insurance company. Here's the original version from Dec 1957 QST, p. 194:

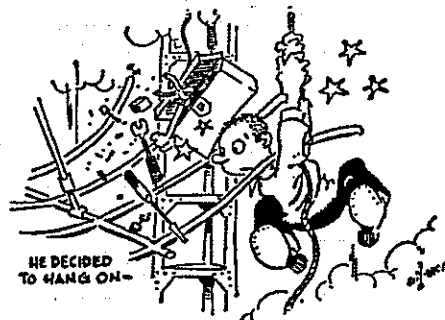

A Situation Fraught With Gravity

Re your recent editorial on the dangers of ham radio.

After getting his tower up, Y. T. McHam found that he faced the problem of getting up a husky four element antenna, a supporting pipe and an extra heavy duty rotator. So he rigged up a beam with a pulley at the top of the tower and hoisted the whole rig complete with a box of tools and wire. Then he decided to free the hoisting line from the bottom pulley and make it fast to a nearby tree.

Unfortunately, the rig was heavier than McHam. Before he knew what was happening the whole load started down, jerking him off the ground. He decided to hang on and halfway up he met the rig coming down and received a severe blow on the shoulder. He then continued to the top, banging his head against the beam and getting his fingers jammed in the pulley. When the rig hit the ground, the rotator smashed and dropped off.

Then McHam was heavier than the antenna and so started down again at high speed. Halfway down, he met the antenna coming up and received severe injuries to the shins. When he hit the ground he landed on the remains of the rotator, getting severe cuts from the sharp edges.

At this point McHam lost his presence (?) of mind, because he let go of the line. The antenna came down, giving him a blow on the head which twisted the elements of the antenna like a pretzel. He then wrote the manufacturers and respectfully requested replacement of the rig on the grounds that it was defective.

-Cecil W. Guyatt, K3ABN

Correct Phonetics

There is dramatic evidence of the need for all phone operators to know the ITU (International Telegraphic Union) standard phonetics. When John K8COA took net control of a large phone net, a high noise level made copy difficult. He could only get call letters if given in standard phonetics. As the operation proceeded, he was shocked to discover many operators did not know the phonetics even for their own call signs.

The sole purpose of phonetics is to make yourself understood under difficult conditions, and the use of more than one set of phonetics defeats that purpose. It also sounds unprofessional. So discard the former Signal Corps or Navy phonetics, or old ARRL phonetics, (or your own concoctions) and learn the current ITU set. All phone operators who don't already use them, should devote a little time to the ITU list of Phonetics. It doesn't take long to learn them backwards and forwards, which is exactly what's needed.

Here are the current ITU phonetics:

ALFA BRAVO
CHARLIE DELTA
ECHO FOXTROT GOLF HOTEL
INDIA JULIETT
KILO LIMA
MIKE NOVEMBER OSCAR PAPA
QUEBEC ROMEO
SIERRA TANGO
UNIFORM VICTOR WHISKEY X-RAY
YANKEE ZULU.

from July '93 Triple States RAC *TSRAC News Bulletin* Ralph McDonough K8AN Editor.

If you say them in order, in lines as listed above, the rhythm makes a jingle like the jingle that helped you learn your A-B-C's when you were small. Say the list sing-song fashion for two minutes, and do the same again tomorrow. (and the next and the next using license plates for quizmasters -Ed). Then start using the ITU phonetics and no others on the air. You'll be surprised how quickly and easily they become your "natural" phonetics. Afterward you'll take pride in no longer sounding like a rube on the air. From *DXER*, Northern Calif DX Club via *QSA-5*, Marin ARC.

List Of Notable Amateurs

by Dave Horsfall VK2KFU

This is a list of the "notable" Amateur callsigns that I have been gathering for some time. I would appreciate any updates - send them to "dave@esi.com.au" (Internet) or VK2KFU @ VK2RWI.NSW.AUS.OC (packet). Of course, "notable" is purely in the eye of the beholder; I consider it as someone in the public eye.

Another way of putting it is: "Did you know that XXX is/was an Amateur?" when explaining to someone what Amateur radio is all about. Thus, someone like Monk Apollo would make the list (who would think a monk would be an Amateur?), whereas the head of a radio company could be expected to be one. Note that I have deliberately left out the current crop of Astronauts - it doesn't seem to be a novelty any more.

Thanks to all who contributed. Special thanks to edw@sequent.com for hammering on the server for me.
