7:30 PM, 1st Wednesday each month at the Hewlett Packard plant in Santa Rosa. (See map below.) All are welcome.

Next Meeting: June 1, 1994
Program: Field Day!

ARE YOU NOT AN SCRA MEMBER?

If so, then this is a complimentary copy. Our club is involved with almost every area of Amateur Radio: Repeaters (13/73), Field Day, license classes (Novice through Extra), volunteer exams, RACES, DX programs, packet radio, hidden xmtr hunts -- you name it. We invite you to attend our next monthly meeting (see below) or check into the Tuesday night SCARS net on the 146.13/73 repeater at 7PM. You will hear the latest Amateur Radio Newslite broadcasts, announcements of SCRA activities and a Swap Shop. Membership in SCRA is open to anyone interested in Amateur Radio. If you would like to join, there is a membership application on page 11. Hope we can have an "eyeball" QSO with you at the next meeting! 73 ...

Board Meeting Minutes

May 11, 1994

The meeting was called to order by President Merle Pfeiff N6VUC, at 5:40pm in the meeting room at the Northbay Savings Bank. Other officers present were Secretary Al Bloom N1AL, Treasurer Mike Michlig KN6JQ, Repeater Chairman Jim Rutherford WB6PER and Members-at-Large Kelley Cureton KD6CJQ and Marie Mappus KI6QY. Also present were SCRA members Hoppy Bravin WD6CKP, Jim Pelmulder N6PTM, Doug Carter KC6RHA, Joe Senft KM6TN, Kathy Mahan KC6UXJ and Rick Reiner K6ZWB.

The first important order of business was to ascertain that Merl is not really starting to have hot flashes. His problem was due to a staple lying on his chair.

HEALTH FAIR: N6PTM has been approached to help the Valley of the Moon ARC with an amateur radio booth at the upcoming Health Fair June 4. N6PTM will coordinate SCRA participation and K6ZWB would like to help.

CORRESPONDENCE: N1AL has sent two letters to the Coast Guard to get permission for the Field Day site. A letter went to NARC appointing WB6PER as SCRA representative.

REPEATER: WB6PER got a check for \$317.91 for new controller firmware, as voted at the last meeting. Jim says that W6TLK reports similar interference as we are experiencing on the 145.535 repeater. We will need to take the spectrum analyzer to the hill soon.

PUBLIC SERVICE: Marie KI6QY reports no problem so far getting volunteers for public service events. Kathy KD6UXJ and Doug KC6RHA have met with the director of the Vineman Triathlon to work on last year's problems. The board's consensus was that our Public Service committee should come up with a list of criteria before we agree to participate. KM6TN suggested we obtain a "hold harmless" agreement. Marie, Doug and Kathy will report back next meeting.

Kathy will take orders for public service arm bands next meeting. The bands say "Official Communications through Amateur Radio."

PATCHES: The club has been out of sew-on club patches for some time. A vendor in Rhonert Park will take orders one-at-a-time upon payment of a one-time \$150 artwork fee. Kelly is checking it out.

ANTENNA COMMITTEE: Joe KM6TN has met with Ken McTaggart N6KM, ARRL Volunteer Counsel, with a proposed Santa Rosa antenna ordinance. The board made a couple suggested changes to the first draft.

SIGNATURE CARDS: Mike KN6JQ congratulated Kelly on his new job as Vice President and noted the signature cards need to be updated. Mike also asked why we still have a separate fund for the repeater. N6PTM plans to make a motion to change the constitution to eliminate all that complication.

FIELD DAY: There will be a FD meeting May 17 or 18. We still need a Food Chairman.

WB6PER gave congratulations to new Member at Large Kathy Mahan KC6UXJ.

FLEA MARKET: K6ZWB is planning a few new activities this year, including a demo of the RACES comm van OES-1, packet, HF station, etc.

Meeting adjourned at 6:53 PM. m/s WB6PER/K6ZWB
Respectfully submitted by Al Bloom N1AL.

Desktop Publishing, Anyone?

Alan Bloom N1AL

I have been Editor of *Short Skip* for 9½ years now. Seems like it's about time to get some fresh ideas for the club newsletter. Is there anyone in the club with a little Ben Franklin or William Randolph Hearst in their blood?

There are all kinds of fancy desktop publishing programs available today to make the task fun. But any old word processor will work — you don't have to get fancy if you don't have to. I published *Short Skip* for years using an old 2 MHz CP/M computer. (Who's to know that I scotch taped all my artwork?)

There are no rules as to format and size. All that's really needed each month is the meeting notice, minutes, list of club officers and club announcements. Anything beyond that is up to the creativity of the Editor.

The hard part is the collating, folding, labeling, sorting and mailing. Fortunately we have had a series of able volunteers to do the dirty work. Many thanks to June Linnehan KD6LSU for her hours of behind-the-scenes work each month.

If someone would like to get their feet wet, I'm sure we could work out a gradual transition. I have lots of artwork available, both computerized and otherwise. I also have a scanner to convert artwork into computer files as needed.

If you think you might be interested in getting involved with producing *Short Skip*, give me a call and we can talk about it!

home 538-7115, work 577-3981.

Congratulations

Congrats to John Breckenridge WB6FRZ, the new President of the NorthBay Chapter of the Society for Technical Communication. John is a Learning Products Developer for Hewlett-Packard Co.

(From the AP News Service)

FCC Gets New Weapon vs. Pirates

WASHINGTON (AP) -- The radio police have a new weapon to fight pirates of the air. The Federal Communications Commission on Friday showed off a car equipped with two computers, a color printer and a satellite receiver in the trunk. Driven through cities and neighborhoods, it can detect unlicensed radio signals and signals that may cause interference.

"This will give us a lot of advantages against the bad guys, no doubt about it," FCC Chairman Reed Hundt said, standing next to a dusty blue Chevrolet Caprice parked on 20th Street.

By June the FCC will have 10 such cars, each installed with \$75,000 worth of equipment. The commission would not say which of its 35 field offices, located in most major cities, will be the first to receive the cars.

The goal is to eventually give each field office at least two cars. How soon that happens, Hundt said, depends on Congress' appropriations to the agency.

The FCC finds about two or three pirated radio signals a month, ranging from people trying to operate low power FM radio stations to taxi cab dispatchers. Businesses and boat operators, however, are the biggest culprits, said commission spokesman Steve Svab.

Inside each car is a control station between the driver and passenger seats. It features a mobile phone, a computer keyboard and two small screens: one for computer commands and the other for display maps and other information.

With the equipment, an FCC agent can pick up a radio signal, delve into a data base to find out if it is authorized and pinpoint the location of the transmitter, said Jim Higgins, an FCC engineer who helped design the system.

In addition, data can be transmitted from the car to a central location or from one car to another.

Right now, field agents can't do any of these things from a car and must rely on less sophisticated equipment inside their offices to track down unlicensed signals and interference problems, Svab said.

Pirates who are caught can be fined up to several thousand dollars a day.

SCRAPS:
SCRA Public
Service

By Marie Mappus KI6QY

The Start of a New Season

Spring has arrived and so has the beginning of the Public Service events. The first one was the *Multiple Sclerosis Super Cities Walk* held on Sunday April 10. Coordinator Kelly KD6CJQ reported that the event went exceedingly well. There were no unexpected problems and, thanks to Randy AA6GV, even the radio location in the Mall functioned without interference.

Net control operators Eran KD6KVO and Kelly KD6CJQ were ably assisted by Nadine KD6WUI, June KD6LSU, Gary KD6BOF, Jim KE6FSK, Greg KE6FXK, Jim WA2EWE, Adam KD6POC, Pat KD6TYJ, Ted KB6PTA, James KD6GSF and Dave KD6KWM. Many thanks to all the radio operators who assisted. The success of the walk would not have been possible without your help. We look forward to your helping in the many events scheduled for the upcoming summer and fall season.

The *Wine Country Century* bike ride was a huge success. The weather was ideal, warm but not too hot. The ride consisted of 50k, 100k and 100 mile loops. The route was the same as in previous years: Santa Rosa to Monte Rio, rest stop #1. On to Guerneville through May's Canyon up West Side Road to Felta School, rest stop #2. Continuing on Dry Creek Road up to Asti, then down to Geyserville School, rest stop #3. Then on to the Alexander Valley School and down Chalk Hill Road and back to the Luther Burbank Center.

Many thanks to Bill N6GHG, as net control and to Phil N6OOA, Sarah N6FAX, Rudy N6KLU and Bill KA6JLP who assisted at the rest stops and to Matthew KD6KVH, Lee KE6EAO, Larry KC6VJI, Ted KB6PTA, Hoppy WD6CKP, Ken N6GXI, Georgia N6GZU, Nadine KC6WUI, Harold KD6WYF, Bill KD6LTA, Clarence W6IZR, Wilbur N6MGY, Peter N6JBV, Bob WD6DPE, Bob K6GEV and AI N1AL who were

the eyes and ears of the event. They covered the route and kept us informed as to any potential problems. Thanks to all. You did a great job.

The events scheduled for April are now behind us and we look forward to May, with the Human Race on May 7 and the Special Olympics on May 22. No additional volunteers are needed for those two events. June brings the Mini Vineman on the 12th and the Terrible Two on June 18. Kathy KC6UXJ is the coordinator for the Mini Vineman and Doug KC6RHA is handling the Terrible Two. The Vineman Triathlon is on July 30 and the March of Dimes Walkathon on September 18. Hope to see you on these events.

SCRA MINUTES

May 4, 1994

Submitted by Secretary
Al Bloom N1AL

The meeting was called to order by President Merl Pfeiff N6VUC at 7:32 PM. Other officers present were acting Vice President Kelly Cureton KD6CJQ, Secretary Al Bloom N1AL, Treasurer Mike Michlig KN6JQ, Repeater Chairman Jim Rutherford WB6PER, and Members-at-Large Marie Mappus KI6QY and Jim Pelmulder N6PTM (acting).

VISITORS: We had 12 visitors to the meeting.

The MINUTES were approved as printed in last month's *Short Skip*. m/s KD6WIS/KD6ATT

The TREASURER'S REPORT from Mike KN6JQ shows \$1142 in dues income with a total of \$6136 in the General Fund and \$864 in the Repeater Fund. Mike has club QSL cards for sale for \$5/100. Report approved. m/s N6PTM/KD6GCD

REPEATER: WB6PER reports that the RC-85 controller on the 146.73 repeater, installed in 1986, needs a firmware upgrade. Among the new features will be a timer to allow turning on/off the autopatch and net mode without requiring manual operator intervention. A motion to spend the \$317 was made/seconded by WB6PER/WX3K. (Jim commented that he hoped it was approved since he already spent the money.) The motion was approved unanimously.

PUBLIC SERVICE: Marie KI6QY has 22 hams signed up to do communications for the 1500 riders of the upcoming Wine Country Century. Other approaching events are the Human Race, Special Olympics, Mini-Vineman, Terrible Two, and Vineman triathlon. The SCRAPS picnic is Aug 20. Kathy KC6UXJ passed around sign-up sheets.

CAMPOUT: Kathy also discussed the upcoming club campout May 21/22. The Saturday evening potluck will feature BBQ chicken provided by the club.

FIELD DAY: Mike KD6LYU discussed the good access and excellent propagation we will have at the Coast Guard Training Center. We are again planning on 5A class, with 2 CW, 2 phone, and 2 novice stations. Our host is Lt. John Zantek WX3K, K6ZWB is phone coordinator, and KC6PJW is handling the bonus points. We still need a Food Chairman and helpers, a CW Director and a Novice Chairman.

The ELECTION ran just according to the railroad timetable. To replace the spot vacated by Vice President RL Caron KK6GP, Kelly Cureton KD6CJQ agreed to run to fill out the term. There being no further nominations from the floor, it was moved/seconded (WB6PER/KD6WIS) to close the nominations. Kelly was voted in by unanimous voice vote.

Kathy Mahan KC6UXJ graciously agreed to be nominated to fill out Kelly's term as Member-at-Large. m/s WB6PER/KD6HQ. Again the nominations were closed (m/s KB6UCM/KD6WIS), and Kathy was elected by unanimous voice vote.

Ed AB6QL passed around flyers for the upcoming solar energy expo. Ed also had a VVRA newsletter (in Flemish) with photos of ON5SK visiting SCRA. Don KD6HQ recently worked a US submarine in SF bay with Joe KM6TN as the operator on the watery end.

The PROGRAM was an ARRL video on emergency preparedness and amateur radio called *At Any Moment*.

The RAFFLE was ably handled by Lynn KD6TYL with prizes graciously provided by Ardco and HSC.

38 members missed out! Had any of them been present, they would have taken home the cumulative membership lottery (approximately \$50). Finally, the luck of the draw came around to Bill WA6OLW, who admitted it was worth the wait.

The meeting adjourned at 9:30 PM. m/s K6ZWB/WA6OLW

RENEW YOUR ARRL MEMBERSHIP THROUGH THE CLUB AND THE CLUB GETS TO KEEP \$2 (no expense to you). Make out your check to SCRA, and send it with your ARRL renewal form to SCRA, PO Box 116, Santa Rosa, CA 95402 or give it to the Treasurer.
