SCRA CAMPOUT

By James Durkin KE6FSK

Once again, this year's annual campout was a rousing success. The Saturday barbeque was as fine as ever, the morning breakfast hot and hearty. The standard jokes were not to be missed. And, the warmth and good fellowship flowed among those who attended.

Jim Rutherford and Kathy Mahan proved to be the perfect host and hostess extending a warm welcome to all who showed up, which offset the unusual weather up on Sugarloaf. Saturday turned out to be warm until after dinner, but as soon as the sun went down, the clouds came over and things started to chill. A nice campfire was built and soon the little HAM community gathered to share stories and experiences. All in all, about forty people showed up for Saturday's festivities.

Sunday's weather was not better in the least, but weather is not what makes this event. The weather from the heart was doing just fine, not to mention the twenty five chowing down on some fine morning fixin's.

Many people ask what exactly does one do on campout. Does one do Dxing? Does one do QRP? Does one earn points for a contest? The answer is as simple as it is complex. One does a campout!

To HAMs this means having fun, meeting people you have talked to but may never have met face to face. It means teaching and learning through Radio War Stories, like the one heard about the idiot who got on HAM Radio to inquire about how to get his HAM license. It means enjoying each other, promoting good will not only among ourselves but to others around us. It is, indeed, a very special event.

Hats off to Jim and Kathy. And, if you have never been to a SCRA campout, please be sure to make next year's. It will be an experience you will probably never forget.

Every now and then, it seems some type of scam or con game pops up in my life. Some of these are so blatant they stick out like a sore thumb. Others remain so subtle that even the most aware can be sucked into the game without even realizing it. As a result, I began to wonder, at what point in life do we begin to be conditioned to fall prey to other's flights of fancy? (I'll try to keep this HAM related, but no promises).

As I was growing up, a phrase that often haunted me when I needed some help with something was "God helps those that help themselves." At the time it was the most quoted bible passage around. My mother said it, my father said it, even the priests and nuns at school said it. It never dawned on me to question just where in the bible this passage lay. I bought into it hook line and sinker. It sounded holy. It sounded righteous. It had to be true. It wasn't until many years later that I found out that there is no such passage in the scriptures. Once, when I claimed that fact, the person trying to push this "passage" on me challenged me to show him where it wasn't. I still wonder to this day if he was deliberately trying to con me. He took considerable offense when I reversed the challenge.

Several years ago, a young enterprising young man ran an ad in the L.A. Times. It simply read, "LAST CHANCE TO SEND IN YOUR DOLLAR," followed by a P.O. box. The young man raked in a small fortune. He was also charged with fraud. The resulting investigation and litigation showed that he had done absolutely nothing outside of the law, and all charges were subsequently dropped. Two things did happen, however. First, the young man made quite a lot of dough, to say the least. Second, the newspapers decided that although the young man did nothing illegal, they would never run such an ad again. Perhaps the citizens of L.A. may have grown a little wiser, also.

About seven months ago a best selling book became the object of a media frenzy. James Redfield's "Celestine Prophecy" was accredited with foreseeing an event that would have a significant impact on the Native American and New Age communities. The item in question centered around a prophecy concerning the birth of a white buffalo whose mother dies within the hour of birth. This white buffalo calf would signal the beginning of a new age of enlightenment. This calf was indeed born and the mother did indeed die within the hour. As a result, many Native American elders and New Age gurus flocked to worship this new icon of hope. The only problem (which nobody seemed to notice) is that the said passage never existed. It seems these people responded to a paragraph that was reported by the media that somehow became manifest out of no-where. In other words, it resulted from pure rumor. The outcome of this rumor is simply a large group of people that seem to be wasting their time and money in an effort to claim something that was never promised. Sound Familiar?

Every year, a new scam reappears with regularity. It

happens every time Publisher's Clearing House and American Family Publishers have their sweepstakes. I am not about to discredit these totally legitimate outfits. However, the con artists love to jump in on this action. A typical scenario is: You get a phone call. You are informed you have just won the sweepstakes and a check is being held in your name. You are elated. There is just one little problem, though. In order to claim your prize, you must pay tax on it. So, you write out a check and send it to the address that the person on the other end of the phone gives you, and you wait for your prize... and wait... and wait! If you do get one of these phone calls, rest assured, it is a scam. The taxes due on the prize are due only after you receive the money (not before).

Okay, I promised to try and let this be HAM related. So here goes...

One of the enjoyments I get out of HAM radio is turning on my 286 and hooking into the local BBSs on packet. One day, I came across a heartrending item on the board. Little Johnny Doe (not his real name) has a terminal illness. All he ever wanted out of life was to become a HAM operator, but now it seems that fate has cut short any hope of fulfilling this dream (sigh). If only you could send little Johnny at (fill in your own address) your QSL card, it would certainly lift his spirits. Yep, I sent my QSL in right away. I fell for it hook, line and sinker. Who wouldn't? I didn't find out until much later that the whole thing is a scam for an unscrupulous card collector. Am I an idiot? I should say not! At least, I don't think so! Well, I hope not...

We packeteers are always on the lookout for bargains on the BBS. I cannot personally say how many scams there are on these selfless services. But some do exist. I really don't care about the QSL card (a minor cost), and I certainly do not wish to discourage trading among what I consider to be the most honest bunch of people around. But, I would like to advise the old adage, Caveat Emptor (Buyer Beware). If something sounds too good to be true, it most probably is. If something just doesn't ring true, steer clear of it. And while the fifty dollar tag on a two thousand dollar radio is mighty tempting, if you can't walk next door to test it, it just might be wise not to send your hard earned money to outer Mongolia. And, as for that bit about Last Chance to Send in Your Dollar? Well, if you really must, you can send it to me care of... (Editors note: Short Skip would love to provide Mr. Durkin's address, but we simply ran out of space).

Hams! Would you like a house to go with that antenna?

SCRA MINUTES

May 3, 1995

Submitted by Secretary
Al Bloom N1AL

The meeting was called to order by President Kelly Cureton KD6CJQ at 7:36 PM. Other officers present were Vice President Dave New AA6YX, Secretary Al Bloom N1AL, Treasurer Angela Dickey KC6OCD, Activities Chairman Joel Nadler KJ6LF, Repeater Chairman Jim Rutherford WB6PER, and Member-at-Large Marie Mappus KI6QY.

VISITORS AND UPGRADES: We had 7 visitors. Bob WB8RQD is now signing AC6KY with an Extra-class license, and we had 3 other upgrades: Jim KD6GCD to General, Bob N6PLQ to Extra and Brian N6Ily to Advanced.

The **MINUTES** were approved as printed in *Short Skip*. m/s KB6PTA/WB6TMY The **TREASURER'S REPORT**, showing \$5443 total, was approved. m/s N6PTM/N6KLU ARRL dues just went up \$1 a year. SCRA still gets a kickback if you renew through the club.

REPEATER: Jim WB6PER spoke to the necessity of training to upgrade operating procedures. There is no need to make multiple calls to raise a station on the repeater. The other Jim (N6PTM) noted recent transmissions from some unlicensed operator who evidently "found" a radio. So far, we have been doing the right thing -- ignoring him.

PUBLIC SERVICE: Spring is here, and Marie KI6QY went over upcoming events. The Wine Country Century next weekend and the Special Olympics and Human Race the weekend after are covered, but we still need people for June events. Call Marie at 664-1978 if you would like to help out.

ACTIVITIES COMMITTEE: Joel KJ6LF kicked off the festivities: Jim WB6PER announced that the **PICNIC** has been postponed until May 20/21 because of the weather forecast.

FIELD DAY: The site (the lake area at the Coast Guard Base in Two Rock) is confirmed. We still need to decide whether to have the Saturday dinner catered. Everyone with club equipment, please send a list to FD Chairmen Merl N6VUC or Steve KK6VY.

EDUCATION: The kits have not yet arrived for Rick K6ZWB's construction class. John WB6FRZ's code class is done. 22 people added a total of 104 wpm to their code speeds. We are still looking for Novice/Tech and Extra class candidates.

Rick K6ZWB has **MEMBERSHIP SURVEY** forms and is still accepting entries. Kathy KC6UXJ is doing the

typing.
PACKET BBS: Bill KH6GJV announced that they are still working on organizing a fundraiser for the county packet system. Dave KD6KWM again provided instruction sheets on how to determine which PBBS to access.

HOMEBREW CONTEST certificates were handed by K6ZWB out to last month's winners: Steve KK6VY in the Antennas category and John WB6FRZ in the Equipment category. Honorable mentions were awarded to Dave KD6KWM for his "plumber's delight" J-pole antenna and to Adam KD6POC for his T/R switch, transceiver kit and oscillator/keyer.

Members who have never picked up their **MEMBERSHIP BADGES**, contact Badge Chairman Fred Leoni N6YEU who has a large collection.

Bill KH6GJV is ordering RACES T-shirts at \$20 (\$22 with pockets). You can add your name/callsign for \$6.

Since our speaker couldn't come due to illness, we substituted a longer social hour for the program.

RAFFLE tickets this month were free: the winner gets to be the new Raffle Chairman. The winner inexplicably failed to come forward (!) Fortunately, Rick K6ZWB agreed to pick up the prizes each month, and Jim KE6FSK volunteered to sell the tickets.

We still need a new **REFRESHMENT CHAIRMAN** since Bob WD6DPE is retiring after many years of service. Please contact Bob or a club officer if interested.

The **MEMBERSHIP LOTTERY**, ably supervised by James KD6GSF, would have been won by KI6VY had he been here.

Respectfully submitted by Al Bloom N1AL.

Board Meeting Minutes

May 10, 1995

The meeting was called to order by President Kelly Cureton KD6CJQ at 5:38 PM in the meeting room at the Northbay Savings Bank. Other officers present were Vice President Dave New AA6YX, Secretary Al Bloom N1AL, Treasurer Angela Dickey KC6OCD, Repeater Chairman Jim Rutherford WB6PER, Activities Chairman Joel Nadler KJ6LF, and Member-at-Large Marie Mappus KI6QY and President Emeritus Merle PfiEFF N6VUC. Also present were four other SCRA members.

AA6YX says Field Day fever is upon us. The next club meeting will be devoted to discussion and planning.

KC6OCD has confirmed that we don't have to file a form 199 with the Franchise Tax Board. She has an application form for ARRL field appointments, if anyone is interested. The new ARRL Section Manager is Art Samuelson W1VV, who was appointed to fill out W6TLK's term.

CORRESPONDENCE received by N1AL included copy of a letter from W6TLK to Sonoma Co. Supervisor Michael Cale thanking him for his support for the amateur tower exemption, W6TLK's announcement of his resignation, letter and form to the USCG reserving the FD site, and correspondence with KC6WTE and N6HZL concerning 610 forms and joining the club, respectively.

PUBLIC SERVICE: KI6QY noted that the new date of the Harvest Century is July 22.

REFRESHMENT CHAIRMAN: KJ6LF will announce at the next meeting that it is the last time Bob WD6DPE will buy the coffee and donuts. We need a volunteer.

CAMPOUT: Since the date was changed to May 20, several members lost their reservation fees. The board voted to reimburse those members. m/s AA6YX/N6VUC

FIELD DAY discussion covered many details, such as rigs, antennas, food (catered or not?), etc. We will again be 5A, with 2 SSB, 2 CW, 2 novice, plus VHF, packet, and satellite stations. The RACES communications trailer "OES-1" will not be brought out this year. We need at least one fire extinguisher for each generator.

Hoppy WD6CKP is looking for some electrical boxes to replace the deteriorating ones on the club

generator. The board told him just to buy some at the salvage yard and bill the club.

KH6GJV has ordered the RACES T-shirts even though he did not have enough people to make a minimum order. Hopefully the extras will be sold. Bill also suggested that WB6PER write a series of articles for *Short Skip* on proper operating procedures.

The meeting adjourned at 6:23.

Respectfully submitted by Secretary Al Bloom N1AL.

SCRA PUBLIC SERVICE

By Marie Mappus KI6QY

Saturday May 6 was a beautiful day for the Wine Country Century Bike Tour. The weather was cool in the morning and warmed up in the afternoon. There were about 1,400 to 1,500 bike riders in the event. They started at the Luther Burbank Center and chose the various routes they wished to ride. A new segment was added to the event making one option a 200K route. The new addition began at Occidental and followed Colman Valley Road to the coast highway and up to Jenner where Route 116 was picked up and joined the 100 mile route at Monte Rio. A catered lunch was served by Willie Bird. My thanks to Dave AA6YX, Chuck N6DDK, Harold KD6WYF, Betty AG6C, Rudy N6KLU, Bill AC6MA, Greg KE6FXK, Tony KD6WYH, Ted KB6PTA, Hoppy WD6CKP, Ron KD6OTC, Brian N6IY, George KD6WIR, Joe KE6LNQ, Bill WD6LTA, Adam KD6POC, George KE6IIB, Andrew KE6HID, Richard KE6DRV, Michael KD6GAO, and Bill N6GHG.

The week of May 7th was rainy and of course we had two events on the 13th, the Human Race and the Special Olympics. While we hoped for a sunny day, things did not turn out that way and we had on and off again showers throughout the event. In spite of the inclement weather, about 5,000 people turned out for the event. The Human Race was held in Howarth Park and Annadel State Park. It consisted of a walk, a run, and a bike ride. Communication for the run and walk part of the event was supplied by the citizens band radio club and the SCRA covered the bike section. The bike ride was in Annadel Park along the trails. Needless to say that with all the rain we had earlier in the week and the showers on Saturday, the trails were exceedingly wet and muddy. There were a few times that assistance was needed, but on the whole the bike ride went well. Sitting in the parking lot, I was able to see the riders as they returned to the school...they and their bikes were covered with mud.

My thanks to Frank KD6WUG, George KD6WIR, Brian N6IY, Bob K6GEV, Lee KE6EAQ, and Greg KC5EGD for all your help.

The Special Olympics is an event that is looked forward to by the many handicapped people who participate. This year it was held at the Santa Rosa JC. Again, the amateur radio operators who participated in this event had to contend with the weather. Most of the Special Olympics staff personnel had not previously participated in a Public

Service event and without preservice training, many problems developed. Thanks to an excellent job by Connie N6FYV, who was Net Control, many of the problems were overcome with the valuable assistance of Steve KD6KXT, John KE6RMC, Ross AC6ET, and Rachel KE6NXA. Again, many thanks to all who participated. ♦♦

Field Day 1995

By Steve Carniglia KK6VY, Field Day Chairman

Well, by now everyone should be tuning up their jaws for the friendly phrase: "CQ FIELD DAY CQ FIELD DAY CQ FIELD DAY...THIS IS WHISKEY 6 LIMA FOXTROT JULIET CALLING CQ FIELD DAY AND STANDING BY."

Monday morning when you pick up your 2 meter radio on 146.73 you will probably say: "GOOD MORNING, THIS IS WHISKEY 6 LIMA FOXTROT JULIET AND THE NAME IS STEVE, I AM JUST PASSING THE PETALUMA EXIT AND THE TRAFFIC IS TERRIBLE GOING OVER THE BRIDGE...I MEAN THIS IS KK6VY...FIELD DAY...I MEAN, WHAT'S THE HOLDUP HERE ON 101?"

If you have never attended a field day, you are missing a lot of fun. If you are a 2 meter/440 whiz, this is a great chance to get your hands on a good HF rig and make a lot of contacts. If you just want to watch, this is the place. Sometime during the middle of the night, we usually generate a good pileup. (A pileup is sort of like going fishing and catching your limit before your buddy gets his line in the water.) For some strange reason, our section, San Francisco, is kind of tough for other areas to get, so when they hear us, we really get it going.

If you pick up any amateur radio magazine, you see articles regarding field day. Take a look at the latest issue of QST...Looks just like us!! This year, we will have: 2 CW stations, 2 SSB stations, a Novice station, a VHF/UHF station, a Packet station, and a low level orbit Satellite station.

There is plenty of room to set up your own campsite or bring out your RV or whatever. If you have some antennas or equipment that you want to try, let me know. Dinner Saturday night will be catered by Willie Bird Turkey. The complete dinner is \$8.00 per head and Breakfast Sunday morning is included. If we get more than 100 people for dinner, they will drop the price to \$7.00. We should be close to that.

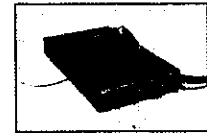

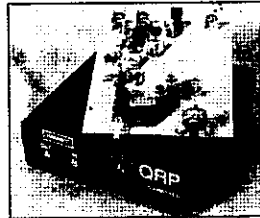

Get there Friday night for some REAL RAG CHEWING. By 9:00 pm, it's so thick that you need a sharp knife to cut it! Remember, bring the family and non-ham friends...this is their chance to work amateur radio...this is SCRA's biggest social event. 73's ♦♦
