

Net Control Procedure For the Club Net

CAPITAL LETTERS = material to be spoken by the Net Control Station (NCS) on the air. Small letters = instructions to you, the NCS.

IMPORTANT: Remember to ID every 10 minutes!

CALLING ALL RADIO AMATEURS, CALLING ALL RADIO AMATEURS, THIS IS (give your name and call), **NET CONTROL STATION FOR THE SONOMA COUNTY RADIO AMATEUR SERVICE NET. THIS NET IS SPONSORED BY THE SONOMA COUNTY RADIO AMATEURS, INC, AND MEETS ON THIS FREQUENCY EVERY TUESDAY AT 7 PM.**

EMERGENCY TRAFFIC ALWAYS HAS PRIORITY OVER ALL OTHER COMMUNICATIONS. ANY STATION HAVING EMERGENCY TRAFFIC WILL CONTACT NET CONTROL WITH THE WORDS "EMERGENCY TRAFFIC".

SCRA MEMBERSHIP IS OPEN TO ANYONE INTERESTED IN AMATEUR RADIO. FOR FURTHER INFORMATION, CONTACT ANY MEMBER OR WRITE TO: SCRA, PO BOX 116, SANTA ROSA, CA 95402. THE CLUB MEETING IS HELD AT 7:30 PM ON THE FIRST WEDNESDAY OF EACH MONTH AT THE HEWLETT-PACKARD FACILITY ON FOUNTAIN GROVE PARKWAY IN SANTA ROSA,

THE PURPOSE OF THIS NET IS TO PROVIDE INFORMATION OF INTEREST TO ALL RADIO AMATEURS,

AT THIS TIME I WILL TAKE STATION CHECK-INS. (The check-in procedure is up to the NCS, although groups of five in any order with no phonetics seems to work as well as any. It is not a hard and fast rule to acknowledge check-ins, but it is a popular practice).

THANK YOU FOR PARTICIPATING IN THE SCRA NET. I WILL TAKE LATE CHECK-INS AT THE END OF THE NET. DO ANY CLUB OFFICERS HAVE ANY ANNOUNCEMENTS FOR THE NET?

HOPPY, WD6CKP, DO YOU HAVE A NEWSLINE REPORT TONIGHT?

GREG, KE6FXK, WHAT DO YOU HAVE IN HANK'S SWAP SHOP FOR TONIGHT?

ARE THERE ANY OTHER COMMUNICATIONS FOR THE NET?

ARE THERE ANY LATE CHECK-INS?

(Optional) **TOTAL CHECK-INS FOR TONIGHT WAS** _____.

THANK YOU FOR LISTENING TO THE SCRA TUESDAY NIGHT NET. THIS SESSION IS NOW CLOSED. THIS IS (your name and call), **NET CONTROL. 73!**

World Radiosport Team Championship

The WRTC-96 contest will be held July 13-14, 1996, during the IARU Contest. All stations will be in the San Francisco Bay Area. There will be 52 teams from all over the world with equivalent equipment competing. Each station will be issued a unique call (W6A to W6Z and K6A to K6Z). The contest runs from 12:00 UTC on Saturday, July 13 until 06:00 UTC on Sunday, July 14. In addition to the regular IARU HF Championship awards, there will be a whole family of separate achievement awards available to those who work the requisite numbers of WRTC stations. All QSOs will be QSLed automatically. There are many interesting aspects to this contest ranging from social events to the actual contest itself. Details can be obtained from Rusty Epps, W6OAT at epps@netcom.com. Information is also available on The W R T C - 9 6 W W W site at: <http://ourworld.compuserve.com/homepages/n6ip>. Financial contributions made through the NCDXF, P. O. Box 2368, Stanford, CA 94309-2368 on a tax deductible basis will be appreciated.

Coming Events

- Livermore Swap Meet - 1st Sunday of each month at Las Positas College in Livermore, CA, 7 AM to Noon, all year. Talk in 147.045 from west, 145.35 from the east. Contact Noel Anklam, KC6QZK, (510) 447-3857 eves.
- Foothill Flea Market - 2nd Saturday of each month from March to September at Foothill College, Los Altos CA. Talk in on 145.23- PL 100Hz.
- WRTC - 96 July 13-14, 1996; 40 - 10 meters CW and SSB.
- SCRA Swap Meet - September 21 at the Holy Ghost Hall, Sebastopol
- Pacific Division Convention - Pacificon96 Oct. 18-20, 1996, at the Concord Hilton Hotel in Concord CA. Details can be found on the Pacific Division WWW Home Page at <http://www.pdarl.org/> or by calling (510) 932-6125; e-mail Pacificon@designlink.com or WWW:<http://www.mdarc.org>. The Mt. Diablo ARC (MDARC) is the sponsor again this year.

10m mobile transceiver. Lynn KD6TYL 584-3423

Tubes, 6LQ6. Bill 552-4274

Greetings! If you didn't notice, I tried to check into the net on the first Tuesday of June from Crane MO. We went to Missouri to visit some friends and relatives. While I was back there, I had an opportunity to work a RACES exercise. I was dialing thru the 2 meter band and I heard a NET going on. NET CONTROL was in the National Weather Service offices in Springfield MO. It was called the Skywatch NET.

I promptly identified myself and told them that I was a RACES member in Santa Rosa, CA and asked if I could be of any help. I got a very nice response and immediately they put me to work as the official observer for I guess what would be a Southwestern section of Missouri.... probably a 100 mile square section. Actually, quite a simple assignment:

If you are running for cover because of Lightning or get peppered with Golf balls from the sky, they would like to know about it....

There were some huge weather cells moving through the area very fast and they activate the RACES Skywatch Net when this or the threat of Tornados is present. Actually, I was supposed to report them too. I told them: No problem, if I see a Tornado, everybody in Missouri will know cuz there will be a White Suburban moving towards California at 135 mph.

I stayed on the watch for about 3-4 hours and the weather passed....quite a lot of fun. (I'll stick to our Earthquakes....they can have the weather).

73's

Steve KK6VY

SCRA MINUTES

June 5, 1996

The June 1996 meeting was called to order by Vice President Rick Reiner K6ZWB at 7:35 PM at the Fountain Grove HP site.

Other officers present were: Secretary Steve Feil KD6CJR, Treasurer Joel Nadler KJ6LF, Repeater Chairman and Past President Kelly Cureton KD6CJQ, Public Service Chairman Marie Mappus KI6QY, Member-at-Large Claude Jones AB6OL.

New Calls: KF6ECK

Upgrades: AC6VB Extra (ex KE6ZGD), KE6EAQ General, KM6XO Extra.

The minutes for the previous monthly meeting were approved as published in Short Skip. WB6TMY/KD2LQ

The Treasurer's report by Joel Nadler KJ6LF is as published in Short Skip.

Activities Committee Report, by K6ZWB: John Wallack W6TLK will no longer be our Activities Chairman. Anyone interested in taking on this important task in the club should contact a Board member as soon as possible.

Education Report, by Bill KH6GJV, on Summer hiatus.

Repeater Committee Report, by Kelly Cureton KD6CJQ: Moved that the club sing Happy Birthday to Merl N6VUC. Seconded by full membership in a rousing song. Happy Birthday Merl!!! Hard line for the antenna upgrades has been ordered. There will be a work party at English Hill on Sat 6/8.

Public Service Committee Report, by Chairperson Marie KI6QY: Please wear event t-shirts while working at events so you can be properly identified. Coming events: Vineman 7/27, Still need help for the Terrible Two 6/22.

RACES report by Merl N6VUC: There was a state conference on Emergency response held in Sac. on 5/18-19. There will be a HAZMAT drill at the SR Airport on 6/12. The Sonoma Bear flag revolt celebration will be 6/14. There is a Sonoma County RACES logo being developed. Coastal Cleanup on Sept 21, come on out after the Swap meet and help out.

Angela KC6OCD is moving to Oregon. Thanked everyone for friendship and support.

Ken N6MHG formally announced the new SCRA Web Page and handed out instructions. The address is: <http://www.cs.sonoma.edu/~ken/scra.html>

The board meetings will be at the Bank Of The West until further notice. They are held the Wed. after each regular club meeting. Check the Round Table if we are not in the regular room.

N6PTM spoke briefly on the LEO conflict that was mentioned on news line. The most important thing to remember when writing to

representatives is to be civil and sincere! DO NOT vent frustrations or anger, please. There were several comments from the audience.

The program for the evening was Field Day.

The raffle was conducted by Angela (Bye and 73). Prizes were provided by ARDCO and HSC. Please patronize these fine establishments to show our thanks for this support.

Joel KJ6LF pulled Steve Corey N6WMW for the membership lottery.

Quarterly Raffle was won by Cullen Tendick W6TDR. Cullen won a nice GPS unit.

The meeting was adjourned at about 10:10 PM. Respectfully submitted by Steven Feil KD6CJR

Upcoming VE Sessions

July 13 at 9:00am

➤ Santa Rosa (SCRA) at Hewlett-Packard, 1400 Fountain Grove Parkway, Santa Rosa. TALK-IN 146.730
- RPT AAA MAP SONOMA COUNTY E9

From Hwy 101 south, take Bicentennial off-ramp, go east until it joins Fountain Grove Parkway. Enter the visitor's gate (second gate).

From Hwy 101 north, take the Hopper Ave off-ramp, follow the signs to Mendocino Ave, going over the freeway. After crossing the freeway, go straight onto Fountain Grove Parkway. Enter the visitor's gate (second gate) at H-P.

August 10 at 9:00am

➤ Sonoma (VOMARC) at Sonoma Developmental Center, Glen Ellen. TALK-IN 145.350
- RPT AAA MAP SONOMA COUNTY G 11

From the south into Sonoma Valley, Hwy. 116 from Petaluma or Hwy. 37 to Hwy. 121 then to Hwy. 116, go north to Arnold Drive, go past El Verano, toward Glen Ellen. When you enter the state hospital "SONOMA DEVELOPMENTAL CENTER", Eldridge, turn left past flashing light/stop sign. Go west on Wilson to the McDougall building.

From the north, go south on Hwy. 12 to Arnold Drive. Turn right, go through Glen Ellen to the state Hospital "SONOMA DEVELOPMENTAL CENTER", Eldridge. One block past flashing light/stop sign, turn right to Wilson and go to the McDougall building.

Board Meeting Minutes

June 12, 1996

The June Minutes of the Sonoma County Radio Amateurs board meeting held at the North Bay Savings Bank on Marlow Rd. Members of the board present were: President, Steve KK6VY; Vice President, Rick K6ZWB; Secretary, Steven KD6CJR; Treasurer, Joel KJ6LF; Public Service Chairman, Marie KI6QY and Member-at-large, Claude AB6OL. There were also 7 other SCRA members present. The meeting was called to order at 5:35 PM by President Steve KK6VY.

Steve KK6VY: Appointed Bill KH6GJV as Activities Chairman for SCRA. Approved with full board approval. Reported on his Skywarn experience while in Crane, MO. Received the 1996 Special Service Club renewal seal from ARRL. Mentioned the LEO/ARRL article. Jim N6PTM reported on several possible obstacles and solutions being discussed behind the doors. SCRA now owns two really nice 11X14 tents. Several other issues related to field day were covered.

Rick K6ZWB: Will be setting up 6 meters at field day. Adam KD6POC will be net control for July. No policy has been set regarding the meeting room at Bank of the West. Available until further notice. Planning for the Swap Meet in Sept. is starting to progress. The big trees at the hall have been cut down. Trying to get some demonstrations set up.

Joel KJ6LF: Reported on the budget as published elsewhere in this publication. There was a request for a report by category detailing how our budget is doing.

Bill KH6GJV: Steve AC6FR has offered to instruct a General class this fall. This will be theory only. Code instructor is still needed. Anyone interested in teaching a technician class. Also reported on the service project on English Hill. Some ground work was done to prepare for a new sight for the 6.73 REPCO unit. Bill also announced that he has a tri-plexer to donate to the 6.73 repeater system. Much Grats Bill!!

Marie KI6QY: Needs 6.73 for the terrible two on June 22. Had a request for operators for the Kenwood Pillow Fight event on July 4. Need 6-7 individuals.

Renee KE6ULU: Requested more information for the PIO booth at field day.

Merl N6VUC: There were 9 RACES members at the HAZMAT drill. Discussed several items regarding future improvements. Setting up a CPR certification class for RACES members through Red Cross. This will be during late Summer or early Fall.

Respectfully submitted by Steven Feil, KD6CJR, Secretary

(continued from page 1)

Therefore, we said, if we did not receive assurance that they would be taken off the list of candidate bands by the deadline for this issue of QST, we would have no choice but to bring the matter to the attention of the entire membership.

The response we received was unsatisfactory. In effect, we were told the little LEO industry would consider our views but that until their spectrum needs are satisfied, all bands must remain under consideration.

So, this is a call to action. We must get across to the industry and government participants in IWG-2A that the 144-148 MHz and 420-450 MHz bands cannot be considered as candidates for mobile-satellite services. We need to drive the point home so forcefully, with so many grassroots responses, that no one is ever tempted to try this again.

Which brings us back to that invitation for "interested parties" to send input "at any time." There's no time like the present! According to the Commission's new procedures, comments by e-mail should be sent to:

wrc97@fcc.gov

Written comments, with an original plus one copy, should be sent to:

**Office of the Secretary
Federal Communications Commission
Washington, D.C. 20554**

Each comment should include at the top, "Reference No. ISP-96-005" and "Advisory Committee Informal Working Group 2A." FCC staff assures us that comments will be given prompt consideration, and asks that parties refrain from filing comments in accordance with previous instructions.

Do comment. But be civil. Don't abuse people who are simply doing their jobs. We have to get across that casting covetous eyes on amateur bands is counterproductive, and contrary to the public interest. To accomplish this we need a lot of comments, including yours. But remember that the objective is to educate and persuade, not to intimidate. We don't need to. The facts are on our side.

For the latest news on this particular issue, check the ARRL Home page at <http://www.arrl.org/> and click on "Band Threat News." Then write. Right now!

--David Sumner, K1ZZ

Hey, guess what? SCRA has a new World Wide Web page!! You can access it at:

<http://www.cs.sonoma.edu/~ken/scra.html>

This is a brand new page and many things will be in a constant state of change. Please check in often and see what is going on. I will be putting a member listing on the page and I'd like to have links to your e-mail addresses. If you have your own Web pages, I'd like to incorporate links to those, too.

I can be reached by e-mail at: ken@cs.sonoma.edu or by phone at 539-2701.

Thanks and 73--

Ken Harrison N6MHG

ARRL PACIFIC DIVISION UPDATE
by Brad Wyatt, K6WR, Director, Pacific Division, ARRL
Editorial -- July 1996 QST
It Seems To Us --

Write Now!

Get out a pen and paper, or boot up your computer. There's work to be done! Your help is needed to defend two meters and 70 cm. Yes, that's right--the two most popular and most crowded amateur VHF/UHF bands! But don't panic, and don't "go ballistic." Here's what's happening, and what you can do about it.

The United States is preparing for the 1997 ITU World Radiocommunication Conference, WRC-97. In the past, the public has been able to participate in the preparations for such conferences by responding to FCC Notices of Inquiry. In March, the FCC announced a streamlining of its International Bureau's preparatory processes for WRCs. Under the new scheme, the NOIs have been eliminated in favor of increased emphasis on WRC Advisory Committees.

For WRC-97, a series of Informal Working Groups (IWGs) of the Advisory Committee has been created to address specific agenda items. The output of each IWG will go directly to a joint FCC-NTIA-Department of State Steering Committee of the Advisory Committee. There, draft proposals as received from the IWGs will be reviewed and forwarded to the FCC for possible release as preliminary US proposals for public comment.

In announcing the streamlined WRC preparatory process, the FCC tried to reassure those who might be concerned about reduced opportunities for public participation: "Interested parties should note that input to the Advisory Committee may be sent at any time...." A pre-press version of this editorial, circulated far and wide by e-mail and packet radio, caused so much input to be generated--more than 1,000 comments in less than a week--that the FCC had to modify its procedures to cope with the deluge!

Hold that thought while we shift gears to the substance of the issue. One of the WRC-97 agenda items includes consideration of possible additional frequency allocations for

the mobile- satellite service. So-called "little LEOs," low-earth orbit satellites below 1 GHz, already have allocations. Their proponents claim these are inadequate and are trying for more. The needs of little LEOs are being addressed in IWG- 2A, chaired by Warren Richards of the Department of State. The ARRL technical relations staff participates in IWG-2A to represent Amateur Radio interests.

At the May 7 IWG-2A meeting, an industry representative presented a list of "candidate bands" for little LEOs. The list included a number of bands that would negatively impact existing services, and does not include others that would appear to be technically more feasible but to which strong objection from incumbents could be expected --- the point being that some political, rather than purely technical, judgment already has influenced the list. We have asked for, but to date have been given no explanation of why some bands were included and not others.

Incredibly, 144-148 and 420-450 MHz were included on the list! This is the first time in memory that another service has been proposed for the two-meter amateur band. We must make sure it is also the last time.

We do not need to explain to ARRL members the extensive use that is made of these bands by amateurs. The two bands provide the backbone of our local public service communications effort. Voice and data, mobile and fixed, even television--the list of present amateur uses is a long one, and of future uses is even longer. Both are already used for satellite services and for moonbounce and extended- range terrestrial operations requiring extremely sensitive receivers and high levels of effective radiated power.

Apparently we did need to explain all this to the little LEO industry representatives, so we did just that--both at the meeting and in a followup letter on May 15. We also explained that we had to regard the matter as extremely serious. No one with the slightest background in radiocommunication could possibly believe that a mobile-satellite service could be introduced into either band without disrupting existing and future amateur operations.
